

Electric Power

Logo	Item	Project Description	Product Application
	1	Lianyungang Tianwan Nuclear Power Plant(NPP) by No.23 ChinaNuclear Industry 23 Construction CO., Ltd	CPVC pipes & valves
	2	Effluent treatment project for Chengdu Tuowei Hi-tech Optoelectronic Technology CO., Ltd	UPVC pipes & valves
	3	Water treatment project for Shijiazhuang Liangcun Thermal PowerCO., Ltd	UPVC pipes & valves
	4	Water treatment project for captive power plant of ShandongChenming Group	UPVC pipes & valves
	5	Water treatment project for Guodian Hebei Longshan Power Station	UPVC pipes & valves
	6	Water treatment project for Datang Hebei Matou Thermal PowerPlant	UPVC pipes & valves
	7	Water treatment project for Hebei Jointo Renqiu Thermal Power CO.,Ltd	UPVC pipes & valves
	8	Desalinization project for power plant of Erdos Group in InnerMongolia	UPVC pipes & valves
	9	Project of reclaimed water reuse for Shandong Shouguang JunengThermal Power Development CO., Ltd	UPVC pipes & valves
	10	Power generation project of domestic waste incineration for Beiliu City	UPVC pipes & valves
	11	Power generation project of waste incineration for Laibin City	UPVC pipes & valves
